

FLOCK FRESH®

BEDDING

Scientifically formulated, Flock Fresh creates a comfortable and dry roosting area while reducing ammonia odors.

- Recommended as bedding for chickens, ducks, game birds, pigs, and rabbits.
- All-natural bedding mixture that promotes a healthy coop environment.
- Zeolite granules and nutrients from chicken waste enhance your compost materials and can be used directly on garden and flower beds.

Zeolite is a naturally occurring mineral which absorbs moisture and reduces odor. It is environmentally friendly and safe for humans and animals.
