

AUGMENT® is a balanced vitamin and mineral supplement for all classes of horses. It contains added lysine and methionine that supports healthy performance and growing horses. AUGMENT™ may be fed with any feeding program whether it is all forage or contains added grains. It is low in non-structural carbohydrates. AUGMENT™ is formulated to fill nutrient gaps that often occur in many feeding programs.

Feeding Directions:

Mix with the horse's regular ration. Feed 1 scoop (1 oz. scoop enclosed) daily for maintenance. Feed 2 - 4 scoops (2 - 4 oz.) daily to working, performance, growing horses and mares in late gestation and early lactation. Recommendations based on 1,100 lbs. of body weight. Intake may be adjusted to meet individual horse needs.

Ingredients:

Corn distillers dried grains with solubles, dicalcium phosphate, calcium carbonate, magnesium oxide, manganese amino acid complex, zinc amino acid complex, Vitamin E supplement, salt, copper amino acid complex, ferrous sulfate, DL-methionine, selenium yeast, biotin, L-Lysine, folic acid, calcium propionate (preservative), Vitamin D3 supplement, thiamin monohydrate, Niacin supplement, riboflavin, Vitamin A acetate, Vitamin B12 supplement, pyridoxine hydrochloride, D-Calcium pantothenate, ethylenediamine dihydroiodide (source of iodine).

For animal use only. Store out of reach of children. Feed according to label directions. Store in a dry, well-ventilated area protected from rodents and insects. Do not feed moldy or insect infested feed as it can cause illness or death. Contains added copper, do not feed to sheep.
