

SONIC SHIELD™

PEST DETERRENT

BIRD•B•GONE® Inc.

Protect Your Property!

New!

The **Bird•B•Gone Sonic Shield™** scares unwanted critters and characters away!

Two Modes of Protection:

1. **Day time mode:** Repels birds through loud eagle sounds. The predator sounds scare birds away from your balcony.
2. **Night time mode:** For use in areas where nighttime noises are discouraged, LED lights flash to scare the birds from the area.

PATENT PENDING

- **Uses sound and flashing light to scare pests away from your property**
- **Portable! Place near areas where pests are a problem**
- **Two modes for around the clock protection. (day & night)**
- **Easily installs; Uses 4 AA batteries (not included)**
