MORE THAN JUST A STOVE

14" AND 16" COOKING SYSTEMS

Camp Chef stoves are measured 14 or 16 inches from the front to the back. This makes them compatible with specific Camp Chef accessories. Simply match these icons found on stove packaging with the icon found on accessory packaging to make a versatile combination. Now you can have a stove that does so much more than boil water. Grill, griddle, bake, fry, and cook Dutch oven all on the same Camp Chef stove. Mix and match stove accessories to fully customize your Camp Chef stove.

OUT OF THE BOX, READY TO COOK

The majority of our stoves, griddles, and grill boxes come out of the box and ready to cook with very little or no assembly required.

MATCHLESS IGNITION

Enjoy the convenience of matchless ignition built into your outdoor cooker with Camp Chef's matchless ignition systems.

EMERGENCY PREPAREDNESS RECOMMENDED

Durability, dependability, functionality. These qualities define Camp Chef products. They are also crucial qualities that are needed from cooking equipment you can rely on whenever an emergency strikes.

TRUE SEASONED FINISH

Camp Chef's patented True Seasoned Finish means your cast iron or steel griddle is ready to cook with right out of the box. We bake 100% natural palm oil onto our True Seasoned products for a beautiful, nonstick, black seasoned finish.

SIMPLY A BETTER WAY

Cook like a pro wherever you go. With 30,000 BTU burners, matchless ignition, and a three-sided windscreen, cooking outdoors has never been easier. You can create culinary masterpieces wherever you go with all the mix-and-match accessories. Two folding side shelves give you the extra room you need for utensils and prep work, while built-in leg levelers make it easy to stand your stove on uneven ground. With so many incredible features packed into one stove, you'll love what you get from the new Pro Series.

For over 25 years Camp Chef has offered quality outdoor cooking equipment for all of your outdoor cooking needs. From the backcountry to your back patio, we have a full line of products for every situation. Our products are built to last, so multiple generations will enjoy cooking on our stoves, ovens, smokers, and cast iron cookware.

NEW FOR 2017 Pro Series Pages 5 & 10

When you purchase a Camp Chef stove, you're not just getting a middle of the road, average barbecue grill. You're getting a stove that can do it all. Fully customizable so you're able to cook a wide variety of dishes – barbecue, boil, bake, griddle and fry. Camp Chef stove accessories are interchangeable so whether you're hosting a barbecue, boiling corn on the cob, middle-of-the-road; cooking a flapjack breakfast, or canning the fall harvest, one stove can be your solution to accomplish it all.

Patio Cooking Systems

Camp Chef can transform any patio kitchen into something that will enhance your backyard experience. Add new flavors to breakfast, lunch, and dinner when cooking with the Flat Top Grill. The huge surface area allows you to cook on a grill or griddle with more than enough room for any large recipe. The Somerset IV boasts extreme versatility when paired with other Camp Chef accessories. Mix and match to cook everything from a pancake breakfast to burgers or fresh artisan pizza. Whatever you choose, your taste buds will thank you.

DEALER WEBSITE

Camp Chef provides a convenient website for the support of our dealers. This site provides high resolution and low resolution images (for print and web) as well as descriptions that can be downloaded quickly and easily. These items can be used in sales materials such as brochures, fliers, postcards, catalogs and websites to help sell Camp Chef products.

To access the website go to: dealer.campchef.com

CAMP CHEF NO-HASSLE WARRANTY

Here at Camp Chef we stand by our products and take pride in our customer service. Because of this, your new Camp Chef product comes with a No-Hassle Warranty. What does that mean? It means that if we did something wrong, we will make it right. We guarantee our products to be free from defect in all materials and workmanship (excluding paint and finish). We will replace defective parts so you can get back to enjoying your product as soon as possible.

REQUIRED MAINTENANCE:

Clean your product after each use to maintain its finish and prolong its lifespan. Wipe away all grease and ashes. Keep metal products free of moisture, salts, acids and harsh fluctuations in temperature. Unfortunately, product paint and other finishes are not covered by this warranty. The exterior finish of the product will wear down over time.

COVERAGE DETAILS:

Warranty does not cover normal wear of parts or damage caused by misuse, abuse, overheating and alteration. No alterations are covered in this warranty. Camp Chef is not responsible for any loss due to neglectful operation. Furthermore, this warranty does not cover damages caused by natural disasters such as earthquakes, hurricanes, tornadoes, floods, lightning, fires, etc.

Upon the expiration of this warranty, all such liability will terminate. No other warranties are expressed or implied. Please keep all original sales receipts. Proof of purchase is required to obtain warranty services. Any parts or products returned without written authorization will be discarded without notice. To obtain warranty services visit CampChef.com and submit a warranty request or call 1 (800) 650-2433. Our Product Specialists are happy to help.

Warranty applies to the contiguous U.S. states only.

PRODUCTS	WARRANTY COVERAGE PERIODS
Pellet grills* and stoves	1 year from purchase date
Fire pits and fire tables	1 year from purchase date
Water heaters	1 year from purchase date
Movie screens	1 year from purchase date
All other items and accessories	90 days from purchase date

*Some models eligible for extended warranty as listed on product
