New item for 2020

Cowboy Collectibles is pleased to offer a superb selection of authentic horse hair products. Made in Montana, each piece is individually handcrafted from natural horse hair. By hand-braiding instead of "hitching" our merchandise, we have developed a line of products unique to our industry.

Products are sold individually, in pairs or in increments of six and an assortment of the available horse hair colors are included in each shipment. Suggested starter packages are available that include our top sellers. There are several packages and fixtures to choose from. Please see the price list for further details.

We at Cowboy Collectibles are committed to supporting Montana families and their rural way of life. We look forward to adding you to our list of satisfied retailers.
