INGREDIENTS

Sun-Cured Alfalfa (Ground), Wheat Flour, Cranberries, Ground Fenugreek Seed (Flavor), Beet Pulp (Dried), Canola Oil, Cane Molasses, Concentrated Separator By-Product, Apple Juice Concentrate, Sunflower Oil

Standlee Horse Pill Carriers are designed to aid in dispensing medication or supplements in pill or capsule form.

- Recommended for horses, ponies, and donkeys.
- This alfalfa-based product contains cranberries to provide additional antioxidants to help support horse's immune system.
- Pill holding design assures medication or supplement is delivered to the animal.

FEEDING RECOMMENDATIONS

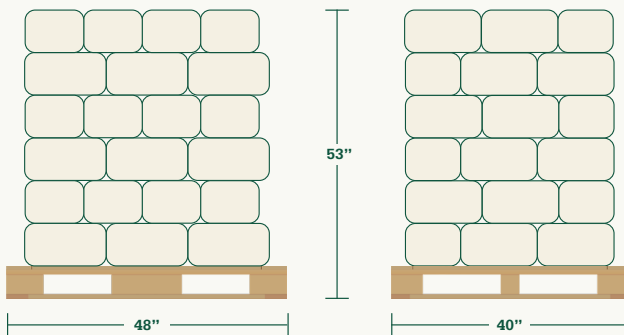

Place medication or supplement inside the center opening of the pill carrier, then lightly push the medication or supplement into the paste. If the paste has hardened, allow the Horse Pill Carrier to warm to room temperature before placing the capsule in the paste. For the first time offering Pill Carriers, if needed, provide the horse one carrier without medication or supplement to condition acceptance. Pill Carriers can be fed like a treat or dropped into the feed. Not recommended for horses with dental issues. Never feed moldy or insect infested forage to animals.

IF YOU HAVE QUESTIONS, CONTACT THE NUTRITIONISTS AT STANDLEE OR CONSULT YOUR VETERINARIAN.
