Whitetail Deer Pressed

Product number: 58613

Product Information

- Highly palatable supplement block for deer of all ages
- Delivers nutrients known to be deficient in most natural diets
- Intended for wildlife conservation practices only

Feeding Instructions

IMPORTANT: THE USE OF THIS DEER PRODUCT IS INTENDED FOR WILDLIFE CONSERVATION PRACTICES ONLY.

Feeding Directions and Management

SWEETLIX Whitetail Deer Blocks should be self-fed year-round to growing and breeding deer in their natural habitat. SWEETLIX Whitetail Deer Block should be positioned in areas frequented by deer such as trails, rubs and watering spots. SWEETLIX Whitetail Deer Block is scientifically balanced to supplement deer's natural vegetation by providing protein, minerals, vitamins and energy necessary for optimal growth, antler and bone development and reproduction.

Consumption of this product will vary according to the deer's body weight and the quality and quantity of available natural vegetation. Intake of this product by growing and breeding deer should be at the rate of 1/4 to 1/2 pound per head per day.
